

## FAST FACTS

---

### **WF-2403, Building Capacity within the NCORP Network through an Education and Mentorship Intervention for Advanced Practice Providers (COACH-APP) (NCT06904391)**

#### **Inclusion Criteria**

*Criteria below are part of the **APP Attestation** uploaded into the **Study Interest Survey** and these answers should be used to determine eligibility.*

- Practicing Nurse Practitioner (NP) or Physician Assistant (PA) registered as an active NPIVR within the NCI RCR.
- Treats oncology patients at practice that is actively recruiting to NCORP and/or NCTN trials.
- Not planning to leave their clinical position within the APP Practice (defined as one or more NCORP affiliate or sub-affiliate site(s) where the APP participating in the study sees patients and clinical research activities occur) in the next 12 months at enrollment.
- Willing to participate in a 30-minute recorded phone interview, if selected

*Criteria below are part of the **Study Interest Survey** and must be completed for eligibility and to receive the Practice ID required for OPEN enrollment.*

- Completed and submitted the **APP Attestation** within the **Study Interest Survey**.
- Completed and submitted an **APP Support Statement** from their direct supervisor approving participation in this study, within the **Study Interest Survey**.
- Identify and obtain signed **Research Care (RC) Team Acknowledgements** from two members (defined below) of their research care team to assist them in this study. The RC Team for this study will consist of an oncologist and clinical research professional (i.e., clinical research coordinator, clinical research associate clinical research nurse, etc.) that the APP collaborated with over the past 6 months or could collaborate with in the future to enroll patients on NCORP and/or NCTN trials.
- Must have received the required **APP Practice ID** for OPEN enrollment in the **Study Selection Email**.

#### **Exclusion Criteria**

*Criteria below are part of the **APP Attestation** uploaded into the **Study Interest Survey** and these answers should be used to determine eligibility.*
